## Declarations

---

### **Product Name:** RM-33-25Kg Kre-Alkalyn®

The undersigned, as a duly authorized representative of All American® Pharmaceutical & Natural Foods Corporation (AAP), hereby confirms the following statements are true and accurate:

- **Certificate of Origin:** All American® Pharmaceutical & Natural Foods Corporation (AAP) is the exclusive international manufacturer and distributor of Kre-Alkalyn®; its country of origin is the United States of America. AAP's manufacturing plant is located at 2376 Main Street, Billings, Montana USA with warehouses and offices at the same location.
- **Non-Irradiation Statement:** The electronic beams, radioactive rays, and other radiation have never been utilized for sterilization on our product.
- **Non-GMO-Statement:** Kre-Alkalyn® is subjected to extensive testing to ensure that the product is completely free of any Genetically Modified Organisms (GMO) and is not sourced from any GMO materials.
- **Allergen Statement:** None present in the finished material.
- **Material Source:** Kre-Alkalyn® is not derived from foodstuffs of animal or plant origin, nor are any pesticides present in any raw material, production processes, or product manufactured at AAP.
- **Ingredient Statement:** Kre-Alkalyn® is Buffered Creatine Monohydrate (U.S. Patent #6,399,661).
- **Vegan Statement:** Kre-Alkalyn® generally regarded as safe (GRAS) by the FDA according to sections 201(s) and 409 of the Federal Food, Drug, and Cosmetic Act and 21 CFR 170.3 and 170.30.
- **BSE/TSE Statement:** Kre-Alkalyn® is subjected to extensive testing to ensure that it is completely free of Bovine Spongiform Encephalopathy (BSE) and Transmissible Spongiform Encephalopathy (TSE).

- **Doping Free (WADA) Statement:** The product is completely free of steroids, hormones, prohormones and any type of anabolic pharmaceuticals of any kind. That Kre-Alkalyn® Powder (Creatine Monohydrate) is free from 1,3-dimethylamylamine, methylhexanamine (DMAA), 7,12-Dimethylbenz[a]anthracene (DMBA), gamma Hydroxybutyric acid (GHB), steroids, and any other anabolic as specified in the World Anti-Doping Agency list.
- **Gluten Free Statement:** That Kre-Alkalyn® do not contain gluten derived from wheat, oats, barley, rye, or any by-products made from these foods. Therefore, AAP declares that Kre-Alkalyn® may be safely consumed by individuals who are allergic or sensitive to gluten.
- That Kre-Alkalyn® complies with EC 1935/2004 or EC 10/2011.
